By completing this order you acknowledge that you are entering a contract with RogueLeaf, a sole proprietorship owned by Steve Caruso.

In submitting numismatic items to The Black Cabinet service, you acknowledge and attest that you believe that there is a significant possibility that these numismatic items are inauthentic.

The services rendered are to establish the inauthenticity (or in the case where inauthenticity cannot be determined without doubt, a reasonable, itemized probability of inauthenticity and/or further authentication recommendations) of numismatic items submitted by you for physical inspection.

RogueLeaf certifies that all numismatic items deemed inauthentic are not genuine numismatic items and do not hold the numismatic value of the genuine items they seek to imitate.

Numismatic items submitted will be handled with utmost care at all times while on RogueLeaf premises; however, RogueLeaf is not responsible for damage incurred during shipping, nor for inadequate shipping arrangements. Choosing an appropriate shipping method (both to and from our premises) is your sole responsibility.
